TO NOTICE OF MISSING PARTS**

Commissioner for Patents  
Washington, D. C. 20231

ATTENTION: OFFICE OF PETITIONS

Sir:

The present application was filed unexecuted on July 6, 2001. After having not received a Notice of Missing Parts, a Status Inquiry was prepared and filed on January 24, 2002, a copy of which is enclosed, along with a copy of the date stamped postcard. When no reply was received concerning the Notice of Missing Parts, Applicants' representative contacted Ms. Janice Tippet of the Office of Initial Patent Examination on February 27, 2002 and was told that a Notice of Missing Parts was mailed from the U.S. Patent and Trademark Office on August 23, 2001. However, the Notice of Missing Parts was never received. As proof of this, Applicants' representative is enclosing copies of the PTO docket from August 23, 2001 through September 6, 2001, wherein it can be seen that no Notice to File Missing Parts was received for the above-referenced application.

On February 27, 2002, Applicants' representative called Ms. Janice Tippet in the Office of Initial Patent Examination (OIPE) and Ms. Tippet said that she would be sending another Notice of Missing Parts, but that Applicants' representative must file a

Petition to reset the period for responding to the Notice. In accordance with MPEP 710.06, Applicants respectfully request that the Patent Office restart the period for responding to the Notice of Missing Parts mailed on August 23, 2001.

The Patent Office is authorized to charge the Petition fee of \$130 to Deposit Account No. 19-0733. However, under the circumstances, it is believed that no fee is due and the Patent Office is authorized to credit this amount to Deposit Account No. 19-0733.

A copy of the Notice to File Missing Parts was faxed to the undersigned attorney on March 5, 2002 and therefore, filed concurrently herewith is the executed Declaration and Assignment forms, along with a copy of the Notice to File Missing Parts and authorization to charge the late filing fee of \$130. to Deposit Account No. 19-0733.

Additionally, although we are authorizing the Patent Office to pay the three month extension of time fee, since the original Notice to File Missing Parts was never received, we are petitioning the Patent Office to rescind this requirement.

Should the USPTO determine that an additional fee or a refund is due, please charge or credit such fees to our Deposit Account No. 19-0733.

A duplicate of this paper is attached.

Respectfully submitted,
